Item No: **F-7**
Meeting Date: **June 2, 2021**

Item Title: Consideration of resolution authorizing formal bids to be advertised electronically

Item Summary:

Electronic advertising can be a more effective and efficient method of reaching prospective bidders. North Carolina General Statute §143-129(b) authorizes the governing board to allow the use of electronic advertisement as an alternative to advertisement in a newspaper of general circulation. This resolution authorizes advertising as an electronic means as an alternative to placing an advertisement in a newspaper of general circulation whenever it is deemed to be the most effective and efficient method of obtaining competition for a contract. Information about bid solicitations shall be made available to the public either by published notice, posting in a place in which similar notices are placed, or electronically on the official website of the Town of Nags Head.
