

Nags Head Committee for Art and Culture Meeting

April 4, 2017 Minutes

Nags Head Town Hall; Conference Room

Committee Members Present: Peggy Saporito, Ben Cahoon, Deputy Town Manager Andy Garman and Deputy Planning Director Kelly Wyatt.

Public Present: None.

Deputy Town Manager Andy Garman opened the meeting and thanked those in attendance.

Recognizing the low attendance at this meeting and the efforts in trying to select a meeting date and time to best suit all members, it was asked if staff was required to set the meetings or can the committee coordinate meetings. It was noted that as a Town Committee with Town staff and a Town liaison on the committee it was likely better suited to be managed/coordinated by Town Staff.

Staff noted that the purpose of the committee is to brainstorm potential Art and Culture Events throughout the Town and provide budgeting input and therefore attendance was crucial. It was discussed that staff would attempt to find consensus once more on a regular meeting time and date.

The committee briefly discussed the Call for Entry process including discussion of proposals, selection, possible interviews and the committee's role in providing input into the design process.

The committee briefly discussed the Art Mast project and the steps necessary to get that off that ground.

With the low attendance the meeting was adjourned at 3:00pm noting that staff would poll members for a better date and time moving forward.
