

GOVERNING BODY

The Board of Commissioners is responsible for establishing policy, initiating legislation, and providing for the general welfare of Nags Head's residents and visitors. The Board meets the first Wednesday of each month and holds an additional mid-month recessed session on the third Wednesday of the month, as necessary.

SPECIAL OBLIGATION BOND – BUDGET HIGHLIGHTS

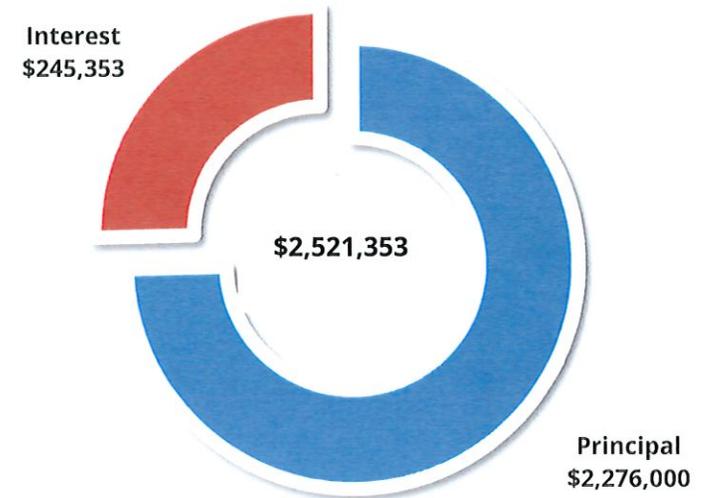

HIGHLIGHTS

In August 2019, the Town completed construction of a 4 million cubic yard beach nourishment maintenance collaborative cost-sharing project to add sand along 10 miles of its 11-mile shoreline. The construction came in on-time and on-budget at \$36,644,500.

To provide funding for 2.3 million cubic yards of sand, \$12,773,356 is coming from a combination of up-front and debt payment supplements from Dare County and a special revenue bond of \$11,380,000. The second of five annual debt payments at \$2,521,353 will be made in fiscal year 2020-2021. Excess beach nourishment capital reserves and interest income defray debt borrowing and has funded pay-as-you-go projects such as project monitoring, sandfencing and sprigging, and additional ocean outfall capacity.

An additional \$16,233,837 in grant funding was awarded towards this project from the Federal Emergency Management Agency (FEMA) and the North Carolina Division of Emergency Management (NCDEM) as a result of losses due to Hurricane Matthew in 2016. These grant funds provided a pledged revenue source for an additional special obligation bond in the same amount. The debt payments on the bond were made in fiscal year 2019-2020 as the grant funds have been received.
