

Fire and Rescue Department

Department Overview

The Town's Department of Public Safety, which consisted of the Police and Fire and Rescue Divisions, was disbanded July 1, 2009. As a result, these Divisions are now separate departments, formally known as the Police Department and the Fire and Rescue Department. This change, which was included in the FY 09-10 recommended budget, is the same concept that existed in the Town prior to July 1, 1998. The Fire Department will report to the Office of the Town Manager, as is the case with the Town's other departments.

The Fire and Rescue Department is comprised of the following units: Fire Administration, Fire Operations, and Ocean Rescue.

Fire Administration provides for the administration, record keeping, and computer operation of the Fire and Rescue Division.

The Fire Operations Unit provides effective and efficient fire protection, fire prevention, fire mitigation, and rescue services. The Fire Operations Unit performs their duties using career firefighters, career fire supervisors, and reserve firefighters who are members of the Fire Department.

The Ocean Rescue Unit provides beach patrols and ocean rescue services from Memorial Day through September each year. During the beach season Ocean Rescue supervisors deploy on the oceanfront in 4-wheel drive trucks and on all terrain vehicles (ATV's). In addition, Ocean Rescue provides mobile, ATV-based patrols and stationary, fixed lifeguard stand-based protection.

Emergency Management

The Town's Emergency Management Coordinator is presently the Town's Fire Chief, in the Fire and Rescue Department. This position is responsible for the composition and annual updates of the Town's Emergency Management Plan(s). The Town's emergency management plan(s) are in compliance with the National Incident Management System.

Goal

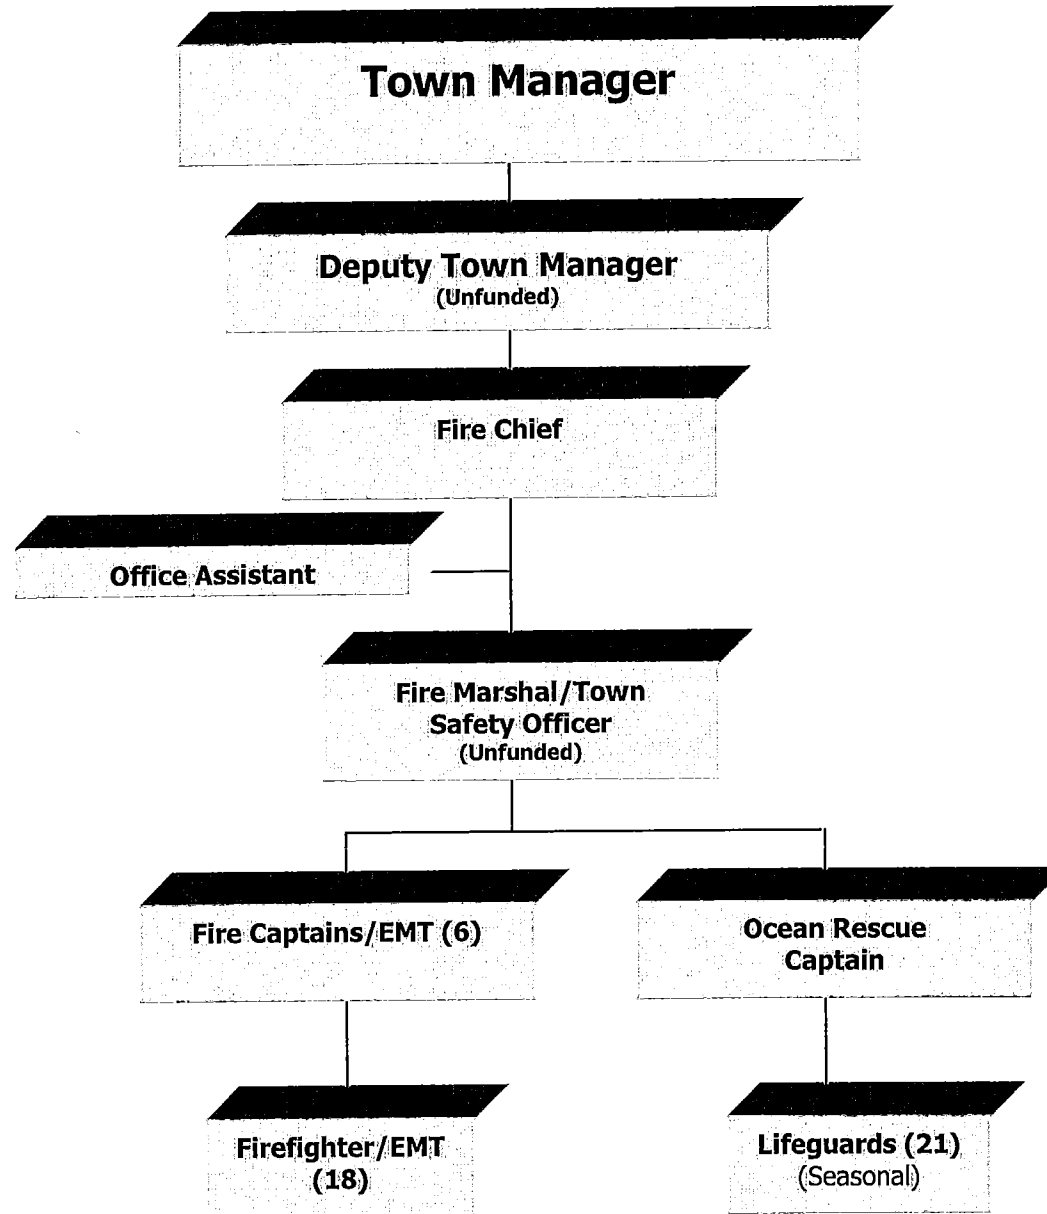

The Fire and Rescue Department believes maintaining a safe community is our primary responsibility and that all of our work should be structured with that goal in mind.

Fire and Rescue Objectives

- Maintain fire safe communities and business districts throughout Nags Head.
- Maintain and expand fire prevention, fire mitigation, and community outreach throughout the Town.
- Provide quality fire suppression and rescue service through career and reserve Fire and Rescue Department personnel efforts.
- Minimize life and property loss due to unsafe conditions and uncontrolled fire through an aggressive and proactive fire prevention, mitigation, and inspection program.
- Continue to foster and improve our organizational culture, which recognizes that the customer is the reason we exist.
- Upgrade all firefighter training levels to exceed all OSHA Standards and NFPA recommendations.
- Provide all necessary training and support to ensure a competent reserve cadre.
- Improve firefighter physical fitness levels to minimize the risk of injury and create better response to emergency incidents.
