### Board of Commissioners Policy

## **Sand Pushing Policy for Town Owned Property**

(Adoption Date: November 5, 1990)

(Updated: June 4, 2003)

The Town will review a proposal when a proposal is submitted by a private property owner to push sand onto Town owned oceanfront properties at no cost to the Town and where the proposal meets all federal, state and local regulations. The individual, partnership, or corporation requesting authorization to proceed with the sand pushing shall submit documents holding the Town harmless relative to potential damage to dunes, dune vegetation, or structural improvements. Authorization from the Town Manager may be granted only after a request in writing has been received and reviewed by the Town and the hold harmless agreement has been reviewed by the Town Attorney.
