Board of Commissioners Policy

Policy on Acquisition of Property Following a Severe Storm Event

(Adoption Date: October 10, 1988)

(Updated: June 4, 2003)

The Town will take advantage of opportunities that may arise to acquire or purchase land following a storm event. To this extent, the Town will establish, prepare and identify in advance where priority areas are located and will develop in advance decision making and funding mechanisms to ensure rapid acquisition.

The Town shall identify acquisition areas that would satisfy multiple community objectives including, but not limited to, open space, parks and recreation sites, historic or scenic areas, or areas for location of Town facilities and any other use allowed by law.
