NORTH CAROLINA
DARE COUNTY

SERVICE CONTRACT
PURCHASE ORDER # _____

**THIS CONTRACT IS NOT VALID WITHOUT THE REQUIRED ACCOMPANYING/
CORRESPONDING PURCHASE ORDER**

MR
(ENGINEER *initials*)

THIS CONTRACT is made and entered into this the 16th day of August 2011, by and between the TOWN OF NAGS HEAD, a public body corporate of the State of North Carolina, (hereinafter referred to as "the TOWN") party of the first part and Creative Engineering Solutions, PLLC., 262 Mother Vineyard Rd., Manteo, NC 27954 (hereinafter referred to as "ENGINEER"), party of the second part.

1. SERVICES TO BE PROVIDED AND AGREED CHARGES

The services and/or material to be furnished under this contract (hereinafter referred to collectively as "SERVICES") and agreed charges are as follows:

To furnish engineering services for research, surveying, design, plan preparation and permitting for the "Town of Nags Head Whalebone Junction Park," in accordance with ENGINEER'S "2011 Capital Improvements Project Whalebone Park Site Development, Engineering/Surveying Proposal Design/Permitting Phase" and cost proposal, dated August 4, 2011 (copies attached). Tasks include research of property lines and right-of way information, surveying and drafting services, and engineering design, construction and State permit application packages preparation.

Total contract price is \$9,783.00 (Nine Thousand, Seven Hundred Eighty Three dollars and no cents). Price is in accordance with ENGINEER's proposal, dated August 4, 2011 (copy attached).

It is mutually agreed by and between the TOWN and the ENGINEER that work under this contract will commence no later than August 22nd, 2011 and the contract completion date shall be October 14th, 2011 with time being of the essence. If ENGINEER fails to complete work under this contract by October 14th, 2011, the TOWN will be damaged thereby, and because the amount of the TOWN's damages, inclusive of expenses for inspection, superintendence and necessary traveling expenses is difficult, if not impossible, to definitely ascertain and prove, it is hereby agreed that the amount of such damages shall be \$ 100.00 as liquidated damages for every day's delay in finishing the work in excess of the completion date prescribed; and the ENGINEER hereby agrees that said sum shall be deducted from monies due the ENGINEER under the contract or, if no money is due, the ENGINEER hereby agrees to pay the TOWN as liquidated damages, and not by way of penalty, such total sum as shall be due for such delay computed aforesaid.

2. DESCRIPTION OF PROJECT

Work under this consists of all necessary research, surveying, engineering design, permitting, and final plan and construction document preparation of the Town's Whalebone Junction Park.

3. TERM OF CONTRACT

The term of this CONTRACT for SERVICES is from August 16th, 2011 to October 30th, 2011. This contract is subject to the availability of funds to purchase the specified SERVICES and may be terminated at any time if such funds become unavailable.

4. PAYMENT TO ENGINEER

The TOWN agrees to pay at the rates specified for SERVICES satisfactorily performed in accordance with this contract. Unless otherwise specified, the ENGINEER shall submit an itemized invoice to the TOWN by the end of the month during which SERVICES are performed. Payment will be processed promptly upon receipt and approval by the TOWN of the invoice. The project, as bid, will be paid on a unit price basis. Invoices will be prepared on the basis of actual hours of work expended by each participant – i.e. Project Manager, Design Engineer, Surveying Crew, GIS Specialist, etc.

5. INDEPENDENT ENGINEER

Both the TOWN and the ENGINEER agree that the ENGINEER shall act as an independent ENGINEER and shall not represent itself as an agent or employee of the TOWN for any purpose in the performance of the ENGINEER'S duties under this contract. Accordingly, the ENGINEER shall be responsible for payment of all Federal, State and local taxes arising out of the ENGINEER'S activities in accordance with this contract, including by way of illustration by not

limitation, Federal and State income tax, Social Security tax, Unemployment Insurance taxes, and any other taxes or business license fees as required.

In performing the SERVICES, the ENGINEER is acting as an independent ENGINEER and shall perform SERVICES in accordance with currently approved methods and practice in the ENGINEER'S professional capacity and in accordance with the standards of applicable professional organizations and licensing agencies.

6. INSURANCE AND INDEMNITY

The ENGINEER shall indemnify and save harmless the TOWN, its agents and employees from and against all actions, liability, claims, suits, damages, cost or expenses of any kind which may be brought or made against the TOWN or which the TOWN must pay and incur by reason of or in any manner resulting from injury, loss or damage to persons or property resulting from negligent performance of or failure to perform any of its obligations under the terms of this CONTRACT.

The ENGINEER shall be fully responsible to the TOWN for the acts and omissions of its sub-Engineers and of persons either directly or indirectly employed by it, as the ENGINEER is for the acts and omissions of persons directly employed by it.

In addition, the ENGINEER shall comply with the North Carolina Worker's Compensation Act and shall provide for the payment of workers' compensation to its employees in the manner and to the extent required by such Act. In the event the ENGINEER is excluded from the requirements of such Act and does not voluntarily carry workers' compensation coverage, the ENGINEER shall carry or cause its employees to carry adequate medical/accident insurance to cover any injuries sustained by its employees or agents during the performance of SERVICES.

The ENGINEER agrees to furnish the TOWN proof of compliance with said Act or adequate medical/accident insurance coverage upon request.

The ENGINEER upon request by the TOWN shall furnish a Certificate of Insurance from an insurance company, licensed to do business in the State of North Carolina and acceptable to the TOWN verifying the existence of any insurance coverage required by the TOWN. The Certificate will provide for sixty (60) days advance notice in the event of termination or cancellation of coverage.

7. HEALTH AND SAFETY

The ENGINEER shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the services. The ENGINEER shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury or loss to all employees from the services and other persons who may be affected thereby.

8. NON-DISCRIMINATION IN EMPLOYMENT

The ENGINEER shall not discriminate against any employee or applicant for employment because of age, sex, race, creed, or national origin. The ENGINEER shall take affirmative action to ensure that applicants are employed and that employees are treated during employment

without regard to their age, sex, race, creed, or national origin. In the event the ENGINEER is determined by the final order of an appropriate agency or court to be in violation of any non-discrimination provision of federal, state or local law or this provision, this Contract may be cancelled, terminated or suspended in whole or in part by the TOWN, and the ENGINEER may be declared ineligible for further contracts.

9. GOVERNING LAW

This contract shall be governed by and in accordance with the laws of the State of North Carolina. All actions relating in any way to this contract shall be brought in the General Court of Justice of the State of North Carolina or in the Federal District Court for the Eastern District of North Carolina.

10. OTHER PROVISIONS

This Contract is subject to such additional provisions as are set forth in any addendum executed separately by each party and attached hereto.

11. CONTRACT DOCUMENTS/AMENDMENTS

This document together with the purchase order and any attached exhibits constitutes the entire Contract between the said two parties and may only be modified by a written mutual agreement signed by the parties and attached hereto. In the event of any conflict between this contract and any attached documents, the contract language will prevail.

12. SIGNATURES

Both the TOWN and the ENGINEER agree to the above contract.

**Re: 2011 Capital Improvements Project
Whalebone Park Site Development,
Engineering / Surveying Services
Proposal Design/Permitting Phase
(REVISED)**

Dear Mr. Ogburn:

In accordance with our recent discussion, I am pleased to submit the following proposal for the provision of consulting engineering / surveying services to the Town of Nags Head for the subject project for your review and approval.

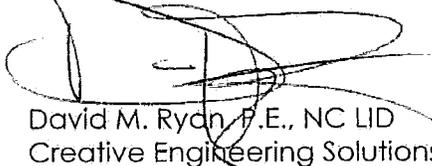

The work associated with this proposal involves design and permitting related services for the development of the Town of Nags Head Whalebone Park.

I have prepared a summary of the various engineering / surveying services proposed to accomplish the design and permitting services and have attached that to this proposal letter as Exhibit "A". The proposed compensation and method of payment for these services is also included at the end of this Exhibit.

Execution of the proposal in the spaces provided on the next page of this letter and return of one copy of the proposal with Exhibit "A" will serve as my authorization to commence work on this assignment.

Should you have any questions regarding the scope of services or fee proposed, please do not hesitate to call. Thank for the opportunity to be of service to the Town on this very important project. I look forward to working with you and the Town staff toward its successful completion.

Sincerely,

David M. Ryan, P.E., NC LID

EXHIBIT "A"
SCOPE OF SERVICES (Con't.)

- b. Required application documentation for permitting through NCDENR- Division of Water Quality, Surface Water Protection Section, for proposed stormwater management facilities, (\$505 permit fee).

Additional Services

Other potential items of engineering service that may be required, but that are outside the scope of this proposal, include, but are not limited to, the following:

1. Preparation of additional copies of the contract documents for distribution to the Town;

Services that may be required for the design and permitting of this project, in addition to what has been described hereon, will be billed to the Town at an hourly reimbursable rate of **\$90.00/hour**. No charges will be billed to the Town for any travel expenses to and from the project site during the course of the design and permitting phase of these consulting services. Additional Non-labor costs such as printing and reproduction will be billed based upon actual costs for the generation of the required material.

CONTRACT AMOUNT:

Pursuant to the Town's request, all services related to the proposed drainage elements have been separated from the remainder of the services noted hereon. All described consulting services associated with this Agreement shall be billed to the Town at the beginning of each month for all included design, CAD work, permitting, and surveying services. Printing and reproduction will be provided by the Engineer. The following tabular outline provides for a proposed cost breakdown of the above referenced anticipated surveying and engineering services;

Type of Service	Fee Amount
Site Element Services	
Part 1- Preliminary Design Phase	-
Part 2- Existing Site Conditions Survey	\$1,038
Part 3- Final Site Design Phase	\$3,025
Part 4- State Permitting Phase	\$775
Subtotal	\$4,838
