ADOPT-A-BENCH FOR DOWDY PARK

Dowdy Park will be ready soon! Please help your Town and donate a bench for the park.

Adopt-a-Bench Program

The Town of Nags Head's Adopt-a-Bench program allows individuals and organizations an opportunity to memorialize an individual or recognize a special person, achievement, or occasion by donating a bench within the newly constructed Dowdy Park. This will be a limited offering – the Town has identified approximately 20 locations where benches are needed within the park. These benches have been selected based on the overall design theme of the park as well as their long-term durability and warranty. Sponsors will receive a plaque installed on the bench for a personalized message. A detail sheet on the bench is attached.

General Requirements

Individuals, families, and non-profit organizations may purchase a bench. The price for the donation is \$1,400.00. The benches are provided by Maglin Site Furnishings. Your donation covers a portion of the cost to purchase, install and maintain the bench. Bench donations are accepted on the basis that the Town will maintain them for 5 years at the location they were originally placed, after which the disposition of the gift is at the sole discretion of the Town. The Town will take every reasonable precaution to prevent a bench from being stolen (benches will be securely fastened), however, the Town will not be responsible for replacement should this occur. Donors are limited to two benches per individual or organization.

Each bench may have a plaque installed. The plaque is 5.875" w x 2.125" h and made out of aluminum which will withstand the elements. The color of the plaque is black with silver lettering. Letters are a standard 30pt font. Plaques can include up to five lines of text with a maximum of 37 characters (letters and spaces) per line.

Ordering process

1. Complete the attached Adopt-a-Bench form and send to Town of Nags Head, Attn: Adopt-a-Bench Program, PO Box 99 Nags Head, NC 27959 along with a check made payable to the Town of Nags Head for \$1,400.
2. Upon receipt of the form and payment, you will be contacted to confirm your order and ensure the details are correct including the wording on your plaque. Once the bench is ordered, it is anticipated that three months will be required to receive and install the bench.
3. The Town will contact you when the bench is installed.

870 SERIES

MLB870-PC

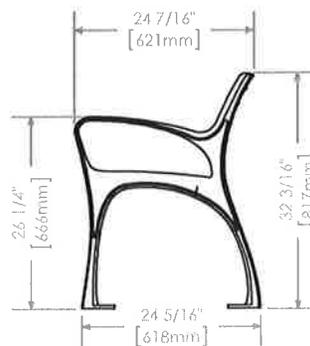

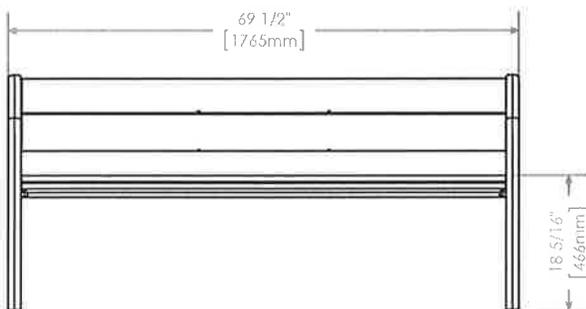

MATERIALS: Bench ends are made from solid cast aluminum. The seat employs high density paper composite (HDPC) slats.

FINISH: All steel components are protected with E-Coat rust proofing.
The Maglin Powdercoat System provides a durable finish on all metal surfaces.

INSTALLATION: The bench is delivered pre-assembled. Holes (0.5") are provided in each foot for securing to base.
