

## **Nags Head Legacy Goals – from January 2020 Retreat** (from Board members)

Leader Innovative  
Creative Thinking  
Competitive in Workforce  
Coastal town model that all others model after  
"Cool" Food and Art

Visitor destination – Outdoor recreation economy

Creative ways to deal with natural hardships (sea level rise) – managing flooding

Superior service – what we do, we do really well, funded, committed  
Garbage truck is the cleanest vehicle in town  
Well-maintained parks and infrastructure

Home to a creative workforce year-round

Solid infrastructure – Quality of living – internet – cultural – health care  
- Be ahead of septic  
- Supporting primary, secondary, or tertiary care (Facilities and Doctors)

Public Art  
- Gallery Row  
- Draw people in  
- Implement  
- Cool place to live

Diverse – housing, social, people, lifestyle  
- Not 1000 8+ bedroom houses used only 4/months/year  
- Encourage multi-family housing understand current situation/numbers  
- affordable  
- Not just old people  
- artists, dogwalkers  
- limited party houses (size and offsite outside impact)

Wide Beaches – Not commercial  
- Get ahead of it – not every year  
- Maintained – not groomed – no trash

158 Greenway w/Spurs  
- Greenways / Outdoors  
- Pathways (well-maintained parks and paths)  
- Walkable and Bikes ("uptown Nags Head" and Whalebone)  
- People out  
- Antithesis of a gated community

### **There were four (4) "WOW" ideas:**

- Being the leader again among Dare County towns
- Money is no issue
- To be the Coastal Town that the rest (coastal towns) model themselves after
- There's even a cool food and art scene
