

Agenda Item Summary Sheet

Item No: **F-4**
Meeting Date: **February 1, 2023**

Item Title: Energy Transitions Initiative Partnership Project (ETIPP) Update
- Time Specific 10:00 a.m.

Item Summary:

ETIPP or Energy Transitions Initiative Partnership Project, is a technical assistance grant and was initiated in 2021 with the Department of Energy (DOE). The original charge was to “advance disaster resiliency by ensuring that their critical facilities can remain online and reliable following extreme events”.

Staff Recommendation/Planning Board Recommendation

Staff would like to update the board on the project progress thus far. Jordan Burns, from the National Renewable Energy Lab (NREL-DOE) will provide a power point presentation via zoom. While the original charge of the grant remains relevant, other factors such as potential cost savings, net zero emissions, and tie in with ongoing projects within the town are being considered.

Number of Attachments: 3

Specific Action Requested:

Listen to the presentation and provide feedback and direction for the remaining duration of the project.
