

MEMORANDUM

Town of Nags Head

Planning & Development Department

To: Board of Commissioners
Planning Board

From: Kelly Wyatt, Planning Director
Joe Costello, Deputy Planning Director

Date: May 30, 2024

Subject: Planning and Development Director's Report (G-1)

This memo provides an overview of selected Planning and Development Department activities, projects, and initiatives. If requested, Staff will be prepared to discuss any of this information in detail at the Board of Commissioners meeting on June 5th, 2024.

Monthly Activity Report

Attached for the Board's review is the *Planning and Development Monthly Report for March 2024*. In addition to permitting, inspections, code enforcement, and Todd D. Krafft Septic Health Initiative activities, Staff was involved in the following meetings or activities of note during the month:

- Wednesday, May 1st - Board of Commissioners Meeting
- Tuesday, May 7th – Technical Review Committee Meeting
- Wednesday, May 8th – Committee for Art and Culture Meeting
- Thursday, May 9th – Board of Adjustment Meeting (no hearings)
- Saturday, May 11th – Artrageous Kids Art Festival 10am – 2pm @ Dowdy Park
- Wednesday, May 15th – Board of Commissioners mid-month meeting
- Tuesday, May 21st – Planning Board Meeting
- Friday, May 24th – Multi-Family Housing Working Group Meeting

Planning Board - Pending Applications and Discussions

The Planning Board's most recent meeting was held on Tuesday, May 21, 2024. There were no action items for consideration. As previously requested by the Planning Board, staff provided a brief presentation on the lighting associated with LED, digital displays, and mechanisms to measure the illuminance of digital characters while taking into consideration ambient light (lighting from other nearby sources). Additionally, staff provided information on the Community Rating System (CRS) Program and discussion of the upcoming verification visit.

The Planning Board's next meeting is scheduled for Tuesday, June 18th, 2024. Currently, the agenda is expected to include consideration of a Site Plan Amendment (3rd Submittal) for Inn at Whalebone, 87-unit Hotel on Lakeside Street for major deviations to the site plan as well as a request to consider amending or eliminating a condition imposed on the previous Site Plan Approval as it pertains to the expansion of W. Lakeside Street.

Board of Adjustment – Recent and Pending Applications

There were no items for the Board of Adjustments consideration in May 2024.

Additional Updates

- **DWMP/Septic Health Advisory Committee** – The proposed amendments to the Unified Development Ordinance prohibiting parking on septic areas, which was generated by discussions held by the SHAC, will be on the Board of Commissioners agenda for Public Hearing at their June 5, 2024 meeting. Continuing the implementation of the recommendations of the Decentralized Wastewater Management Plan, staff are in the process of purchasing four (4) additional water quality monitoring loggers and a GPS unit to begin recording and mapping locations of existing septic systems within the town. The next meeting of the Septic Health Advisory Committee will be held in July 2024.
- **Estuarine Shoreline Management Plan** – Staff has prepared a pre-proposal for a grant from the National Fish and Wildlife Foundations National Coastal Resilience Fund. This grant is for the design of the Villa Dunes and Soundside Road pilot sites. We are waiting to find out if we will be invited to submit a full proposal. Additionally, staff recently submitted a grant request for NC Resilient Coastal Communities Program (RCCP) 2024-25 application, Phase 3 for a living shoreline project.
- **Electric Vehicle Action Plan** – Public Services staff were able to locate and mark the outer periphery of the geothermal lines and wells along the southern portion of the parking area at Town Hall. Staff met with Daniel Parsons of LoWire Technologies and will move forward with verifying the depth of the geothermal lines before continuing with the installation of the two-level II EV Chargers.
- **Sand Relocation and Dune Management Cost Share Program** – Following the close of the Sand Relocation program on April 30, 2024, we issued a total of 131 relocation authorization letters. As of May 29, 2024, \$385,000 of the \$400,000 allocated to the Dune Management Cost Share Program has been used. Environmental Planner Conner Twiddy and Code Enforcement Officer Ed Snyder have conducted final inspections of all sand relocation projects this season, identifying only a few sites that require further attention. We are currently awaiting the necessary paperwork from 55 citizens, who were approved for the Dune Management Cost Share funds, to process their reimbursements before the end of June.
- **Public Beach and Coastal Waterfront Access Grant Program** – Staff has been informed that the pre-application to the NC Public Beach and Coastal Waterfront Access Program has been selected to submit a Final Application for improvements to the June Street Beach Access. The deadline for final application submission is August 2nd, 2024. Item E-8 on Board of Commissioners June 5th meeting Consent Agenda is a Request for Public Hearing to consider the Final Grant Application.
- **Outer Banks Regional Hazard Mitigation Plan Update** – The Hazard Mitigation Planning Committee, comprised of representatives from Dare County EM, Dare County staff, staff from each town and members of the public from each community are in the process of updating the Outer Banks Regional Hazard Mitigation Plan.

As part of the Town's continued participation in the Community Rating System ("CRS") Program, the Town is required to provide updates on the actions contained in the Hazard Mitigation Plan. Staff has provided a memo and spreadsheet outlining updates to the action plan for the Board of Commissioners review. Staff is providing this to the Board of Commissioners and the community for informational purposes.

- **Dowdy Park Events/Farmers Market/Holiday Markets/Art & Culture –**
Summertime events are starting up. For the month of June, the Town will be hosting the following:
 - Yoga on the Lawn, Tuesday mornings 7:30 – 8:30am all month long.
 - Fitness Fridays, Friday mornings 7:30 – 8:15am, beginning June 21st.
 - Summer Concert Series, Wednesday evenings 6:30 – 8:00pm.
 - Black Pearl on June 19th – local band
 - Uphill on June 26th – local band
 - Dowdy Park Farmers Markets, Thursdays 9am – 1pm: June 13th, 20th & 27th.
 - Movie at the Park, Friday June 7th at 8:00pm at Dowdy Park.
 Event Coordinator Paige Griffin will be releasing the vendor map for the upcoming Dowdy Park Farmers Markets soon, and notes that there has been a great response to Tuesday morning Yoga. Art & Culture Committee Member Molly Vaughan is coordinating with the Manteo High School Honors Art students for a crosswalk art project after the summer season. Below are two sketches of potential designs:

Upcoming Meetings and Other Dates

- Tuesday, June 4th – Technical Review Committee Meeting (Inn at Whalebone)
- Wednesday, June 5th - Board of Commissioners Meeting
- Thursday, June 6th – CRS Users Group Meeting, Elevation Certificate Training
- Wednesday, June 12th – Committee for Art and Culture Meeting
- Wednesday, June 12th – Eastern Carolina Council Resource Roundtable
- Thursday, June 13th – Board of Adjustment Meeting (no hearings)
- Tuesday, June 18th – Planning Board Meeting
- Wednesday, June 19th – Board of Commissioners mid-month meeting
- Dowdy Park Farmers Market – Thursday, June 13th, 20th, and 27th.
- Dowdy Park Summer Concert Series – Wednesday, June 19th and June 26th

 Kelly Wyatt, Planning Director

MEMORANDUM

Town of Nags Head

Planning & Development Department

To: Board of Commissioners
From: Kelly Wyatt, Planning Director
Joe Costello, Deputy Planning Director
Date: June 5, 2024
Subject: Hazard Mitigation Plan Update

As part of our continued participation in the Community Rating System (“CRS”) program, the Town is required to provide updates on the actions contained in our Hazard Mitigation Plan. The requirement for preparation of a Hazard Mitigation Plan was developed in response to NC Senate Bill 300 and the Federal Hazard Mitigation Act of 2000. The plan not only addresses natural hazards like hurricanes and nor’easters but other hazards such as terrorism, pandemics, and public health events. A plan must be adopted by the local governing board every five (5) years. A FEMA-approved hazard mitigation plan is a condition for receiving certain types of non-emergency disaster assistance, including funding for mitigation projects. Ultimately, hazard mitigation planning enables action to reduce loss of life and property, lessening the impact of disasters.

Dare County and Currituck County, and the towns of Manteo, Nags Head, Kitty Hawk, Kill Devil Hills, Southern Shores, and Duck, joined efforts on updating their Hazard Mitigation Plans. This effort was referred to as the *Outer Banks Regional Hazard Mitigation Plan*. The most recent Outer Banks Regional Hazard Mitigation plan was adopted by the Town of Nags Head on July 1, 2020¹. Dare County Emergency Management is currently preparing for the update of the Outer Banks Regional Hazard Mitigation.

As part of the Town's annual recertification for the CRS program, staff must review the plan and actions on an annual basis. Continued participation in the CRS program ensures that the Town is able to maintain a Class 5 CRS Rating and residents are able to receive a twenty percent (25%) discount on flood insurance. Attached is a spreadsheet outlining updates to the action plan. No action by the board is necessary. Town staff is providing this to the Board and the community for informational purposes. The entire Plan is available on the Town’s website.

¹ The OBX Regional Hazard Mitigation Plan can be found here:
<https://www.nagsheadnc.gov/DocumentCenter/View/3164/Outer-Banks-Regional-Hazard-Mitigation-Plan-FEMA-Review-Draft>

Community: Nags Head									
Action Details									
Action #	Action Description	Hazard(s) Addressed	Goal Addressed	Priority	Lead Agency / Department	Potential Funding Source	Implementation Timeline	2024 Implementation Status (Completed, Deleted, Carried Forward, New)	2024 Implementation Status Comments
NGH1	Petition FEMA through the Town's state and regional NFIP representatives to consider adopting realistic regulations regarding the determination of destroyed structures. Specifically, this would apply to structures which are located on the public beach that are not eligible for flood insurance until they collapse.	Coastal Hazards, Flood, Hurricane and Tropical Storm, Severe Weather	3.1	Low	Planning/Town Manager	General Fund	5+ years	Carry Forward	Revised. The Town Manager participated in the threatened structures working group. A report is being written which details a multi-prong approach with actionable items to solve this goal.
NGH2	Explore seeking authority and adopting regulations which would allow qualified Town staff to inspect sewer treatment facilities and on-site septic systems after a storm. These regulations should also allow staff to request the corrective actions necessary to ensure proper operation of these systems.	Coastal Hazards, Flood, Hurricane and Tropical Storm, Severe Weather	2.2	Low	Planning, Septic Health	General Fund	5+ years	Carry Forward	Revised. Carry forward damage information to the health department so they can take action for any repairs that are required. Use Crisis Track to report damages after storm events. No need to seek independent authority.
NGH3	Lobby the State for a state policy and strategy on beach nourishment and beach re-nourishment through joint efforts with other local governments and organizations such as the North Carolina Beach and Inlet Waterways Association. This includes an annually funded state program to support local nourishment activities.	Coastal Hazards, Flood, Hurricane and Tropical Storm, Severe Weather	4.1	High	Board of Commissioners	General Fund	3-5 years	Carry Forward	Revised. Beach and inlet management plan developed by the NC beach and waterways association we participate in. We collectively pursue with other localities.
NGH4	Develop a long-term plan for shoreline management which includes the oceanfront and estuarine shoreline. This may include financing, permitting, ongoing project implementation (in coordination with Dare County and other Dare County municipalities), and monitoring of changing shoreline conditions.	Coastal Hazards, Flood, Hurricane and Tropical Storm, Severe Weather	4.1	High	Planning, Town Engineer	General Fund, Dare County Shoreline Fund	2-3 Years	Completed	Revised. The Town completed the Estuarine Shoreline Management Plan, and it was adopted by the Board of Commissioners in February 2023.
NGH5	Develop contingency plans for infrastructure or services that may be lost as a result of exposure to hazards. Potential infrastructure includes roads/streets, waterlines, wastewater, stormwater, and other key utilities.	All Hazards	2.2	Medium	Planning, Public Works	Grant Funding	2-3 years	Carry forward	Revised. The Town has developed a comprehensive Infrastructure Plan where stormwater, waterlines, streets, and paving work are reviewed at the same time during our CIP process. Upgrading drainage system with larger drainage pipes funded through Golden Leaf Grant.
NGH6	Evaluate the Nags Head Woods Fire Plan annually and coordinate information with Nature Conservancy	Wildfire	3.3	Medium	Town Manager/Fire/Police	General Fund, Grant Funds	1 Year	Carry Forward	Staff discusses and reviews the Nags Head Woods Fire Plan annually for update and to discuss areas for fuel reduction. Staff seeks grant opportunities as needed.
NGH7	Plan and participate with partners to evaluate the need and maintenance of wild land urban interface areas including removal of dead wood in critically fire prone areas and controlled burn activities.	Wildfire	1.2	Medium	Board of Commissioners/Public Works	General Fund	1 Year	Carry Forward	Revised. Continue to work with the NPS, Dominion and the Nature Conservancy to maintain reduction of fuel loads in wildland-urban interface areas and to seek opportunities for grant funding to reduce vegetation in wildland-urban interface areas of the Town.
NGH8	Explore the feasibility of becoming a Firewise Community.	Wildfire	3.3	Medium	Fire	General Fund	2-3 Years	Carry Forward	No action taken as of this date.
NGH9	Purchase and install weather stations to track rainfall and weather in the Town that will be helpful in identifying changing weather patterns and future stormwater planning and modeling needs. Explore partnerships with agencies where this weather information would be relevant (i.e. NC Climate Center).	Coastal Hazards, Drought, Flood, Hurricane and Tropical Storm, Severe Weather	3.3	High	Planning/Town Engineer	General Fund, Grant Funds	2-3 Years	Completed	Revised. The town partnered with NC State Parks to install a weather station, funded through NC State Climate Office, in Jockey's Ridge State Park. Town has 3 other weather stations at Station 21, Town Hall, Water Plant
NGH10	Work with Dare County to expand Town representation on the Local Emergency Planning Committee.	All Hazards	4.2	Low	Fire	General Fund	1 Year	Carry Forward	Town staff continue to participate on the committee.
NGH11	Acquire equipment and materials and retrofit critical facilities to ensure critical facilities and infrastructure remain operational during events.	All Hazards	2.1	High	Town Manager/Fire/Police/Public Works/Planning	Grant Funding	2-3 Years	Carry Forward	Revised. The public works and water distribution facilities were redesigned and are currently under construction for more efficiency in operations and with contingency plans for hazards. Expectation of Public Services master plan completion September 2024. Currently developing a master plan for Fire station and Town Hall facilities.
NGH12	Purchase property, utilizing grants, when possible, to acquire property for the purpose of mitigating damage and co-locating (dual use) Town facilities.	Coastal Hazards, Drought, Flood, Hurricane and Tropical Storm, Severe Weather	1.2	High	Planning/Town Engineer/Town Manager	General Fund/Stormwater	2-3 Years	Carry Forward	Staff seeks any viable opportunity, on a case by case as needed basis, for funds to acquire properties for the purpose of mitigating damage, improvement water quality, preserving open space, protecting natural resources, and collocating Town facilities.

NGH13	Identify and evaluate solutions to mitigate areas of repetitive flooding.	Coastal Hazards, Flood, Hurricane and Tropical Storm	1.2	High	Planning/Town Engineer/Town Manager	General Fund/Stormwater	2-3 years	Carry Forward	Revised. The Town received over 3 million dollars in grant funding to implement stormwater control projects in areas of repetitive loss. Two of these projects have been designed and will begin construction in 2024.
NGH14	Pursue the installation of flood gauges, through partnership with Dare County and the State, that will notify citizens and Town officials of changing water levels.	Coastal Hazards, Flood, Hurricane and Tropical Storm	1.1	High	Planning/Town Engineer/Town Manager	General Fund/Grants	1 Year	Completed	The town partnered with the Coastal Studies Institute to install two new Honohu flood gauges in the Town of Nags Head. 13 water level data loggers installed in town.
NGH15	Support public and private mitigation projects that reduce the potential damaging effects of hazards on the town. Homes that are pre-firm and repetitive loss structures should be prioritized.	Coastal Hazards, Flood, Hurricane and Tropical Storm, Severe Weather	1.2	High	Planning/Town Engineer/Town Manager	General Fund/Grants	2-3 years	Carry Forward	No action taken as of this date.
NGH16	Seek methods to remove structures located on the public beach which degrade the recreational and natural quality of the environment, create public health and safety hazards, and impede the ability of life safety personnel to move along the shoreline.	Coastal Hazards, Flood, Hurricane and Tropical Storm, Severe Weather	3.2	High	Planning/Town Engineer/Town Manager	General Fund	5+ years	Carry Forward	Revised. The Town successfully removed a structure from the public beach in April 2023. The former structure was located at 10211 Sea Gull Drive.
NGH17	The town will identify, acquire, and seek grant funding of property for the purposes of open space, improving water quality, protecting natural resources, and recreational purposes.	Coastal Hazards, Flood, Hurricane and Tropical Storm, Severe Weather	1.2	High	Planning/Town Engineer/Town Manager	General Fund, Grant Funds	2-3 years	Carry Forward	Revised. The Town acquired five parcels of vacant land located at 8504, 8506, 8508, 8510 and 8512 SOOIR. These properties will be kept as open space in perpetuity.
NGH18	Consider incentives rewarding developers, property owners, and builders that set aside additional open space in perpetuity.	Coastal Hazards, Flood, Hurricane and Tropical Storm, Severe Weather	3.3	Low	Planning	General Fund	3-5 years	Deleted	No action taken as of this date.
NGH19	Nourish the Town's beaches as a means to mitigate damage to oceanfront properties and infrastructure. This includes the pursuit of potential funding sources to supplement Town funds and programmatic permitting to assist with future nourishment projects.	Coastal Hazards, Flood, Hurricane and Tropical Storm, Severe Weather	3.2	High	Town Manager/Town Engineer	Dare County Shoreline Fund, Town Municipal Service Districts	3-5 years	Carry Forward	The Town's third beach nourishment project occurred in 2022. Beach Nourishment master plan will dictate timing of future nourishment projects.
NGH20	Investigate innovative solutions to unconventional drainage problems. This may include the implementation of groundwater management techniques and low impact development practices which address stormwater runoff at or near its source. Possible solutions will consider improvements to address both water quality and water quantity. Continue to evaluate and assess existing infrastructure for replacement and improvement to include drainage systems maintained by NCDOT that may be impacted by other Town initiatives (i.e. beach nourishment).	Coastal Hazards, Flood, Hurricane and Tropical Storm, Severe Weather	3.3	High	Town Engineer, Planning	Grant Funding/General Fund/Stormwater	3-5 years	Carry Forward	Revised. The Town of Nags Head received grant funding for the construction of stormwater projects areas #12 and #11. These projects will address roadway flooding through a french drain system and pump to a natural dune infiltration area.
NGH21	Improve fire protection and access in Nags Head Woods with the installation of 'dry hydrants' and maintenance and improvements to Nags Head Woods Road.	Wildfire	3.3	Medium	Fire, Public Works	General Fund/Water Fund	3-5 years	Completed	The Nags Head Woods Road is maintained by Nags Head Public Works and roadway material is added as needed to maintain an acceptable driving surface.
NGH22	Adhere to the Incident Command Structure to maintain and improve emergency operations and communications. This includes the annual update of the critical facilities list in the Emergency Operations Plan (EOP) and purchase of additional emergency operations communication equipment.	All Hazards	2.2	Medium	Fire/Police/Town Manager	General Fund	5+ years	Carry Forward	Staff recently completed a new EOP. Staff continues to adhere to the ICS, update the critical facilities list and participate in the EOP with Dare County.
NGH23	Continue to educate property owners to maintain fire safe landscaping and vegetation adjacent to structures.	Wildfire	1.1	Low	Fire	General Fund	5+ years	Carry Forward	This is accomplished on a case-by-case basis as needed. In addition, during fuel reduction burns staff meets with the community to explain the need for reduction of fuel loads.
NGH24	Develop outreach materials to educate the public and increase awareness on hazards, how to develop and retrofit their properties against hazards, and individual tasks that can help them better prepare and respond to hazards. Staff should explore alternative options to traditional on-site meetings. This may include increased use of social media, the public access channel and short videos and handouts.	All Hazards	1.1	High	Planning, Town Manager, Town Engineer, Fire/Ocean Rescue	General Fund	2-3 years	Carry Forward	The Town continues to utilize social media, videos, the website, and mailed information to inform residents about the new flood maps, flooding, stormwater, hurricane preparedness, and other coastal hazards.
NGH25	Educate and assist vulnerable populations in preparing for and recovering from impacts by hazards. This may include hazard awareness, evacuation planning, or disaster relief.	All Hazards	1.1	Low	Planning/Public Works/Town Engineer	Grant Funding	2-3 years	Carry Forward	Revised. Continue communicating with stakeholders regarding at-risk populations who may require special assistance during disasters.
