

Agenda Item Summary Sheet

Item No: **K-2**
Meeting Date: **June 5, 2024**

Item Title: Town Manager Garman - Discussion of process for neighborhoods to request traffic calming devices

Item Summary:

Over the recent months, Town staff has received numerous requests for the implementation of traffic calming devices in several of the west side neighborhoods. The traffic calming measures placed on Soundside Rd. are often cited as the preferred measure to be adapted for the requested locations.

Prior to the implementation of the Soundside Rd., several different actions were taken to include meetings with neighborhood stakeholders in conjunction with an engineering traffic study to determine the speed and volume of vehicular traffic along the area of concern and the appropriateness of traffic calming measures. Considering the steps taken in the process, it may be beneficial to adapt a similar strategy for current and future requests.

For discussion purposes, staff has prepared a conceptual level flowchart of a traffic calming process that combines past practices with strategies employed by other North Carolina communities.

Staff will provide supplemental information related to managing traffic calming requests and welcomes Board of Commissioners feedback for the development of a more formalized process.

Attachment: Flowchart - Town of Nags Head Process for Requesting Installation of Traffic Calming Devices on Public Residential Streets

Number of Attachments: 1

Specific Action Requested:

Provided for Board information and discussion.

Submitted By: Town Engineer David Ryan

Date: May 28, 2024

Finance Officer Comment:

Insufficient information to determine fiscal impact.

Signature: Amy Miller

Date: May 28, 2024

Town Attorney Comment:

Attorney Leidy will participate in the discussion as necessary.

Signature: John Leidy

Date: May 28, 2024

Town Manager Comment and/or Recommendation:

Provided for Board discussion.

Signature: Andy Garman

Date: May 28, 2024
