

Agenda Item Summary Sheet

Item No: **H-1**
Meeting Date: **July 3, 2024**

Item Title: From May 1st Board meeting - Discussion/Review of multi-use path pavement markings

Item Summary:

At the May 1, 2024 Board of Commissioners meeting, it was Board consensus to authorize staff to install pavement markings (speed limit/user guidance) in a high traffic area of the beach road multi-use path to determine if this was something we want to adopt as a standard for the remainder of the path. As mentioned in previous discussions, bicycle speeds and operator behavior has created user conflicts and safety concerns.

At the July 3rd Board of Commissioners meeting, Police Chief Perry Hale will discuss with the Board what has been done so far and gather input on proceeding further with additional pavement markings.
