MEMORANDUM

TO: Andy Garman, Town Manager
FROM: P. Hale, Chief of Police
DATE: June 24, 2024
RE: Traffic Control Map Amendment; Bonnett St / Wrightsville Ave

Parking on E. Bonnett Street during events has increased over the years with the popularity of the markets and other events held at Dowdy Park throughout the year. Vehicles do use the overflow parking at NHES; however, they also park along the shoulder along Bonnett Street where it is not marked for no parking. Over the past few weeks, the department has noticed an increase in parking east of Wrightsville Ave. on the south side of Bonnett Street which is creating a hazard for motorists trying to maneuver through this intersection. The parking is making it difficult to see other vehicles, cyclists, and pedestrians traveling west on Bonnett St.

We are requesting to make the section from Wrightsville Ave. to NC 12 “No Parking - Tow Away Zone” to prevent future traffic issues in the area.

I will be available at the Board meeting to answer any questions.
