Item No: **E-5**  
Meeting Date: **October 2, 2024**

**Item Title:** Consideration of Great Trails State Program Grant application for multi-use path engineering

**Item Summary:**

Please find attached an application for the Great Trails State Program grant. The grant would be used for the design/engineering of the multi-use path extension on South Croatan Highway. Specific areas to be connected are between Carolista Drive and W Soundside Road; S Seachase Drive and W Baymeadow Drive; and Gull Street to Gray Eagle Street. These extensions would connect these areas to the existing multi-use path. As noted in the application, these connections were top ranked by the Town's Pedestrian Project Advisory Committee.

Strong community support for the project is reflected in the attached correspondence from the Superintendent of and the Friends of Jockey's Ridge State Park, Outer Banks Visitors Bureau, as well as the Pedestrian Project Advisory Committee.

**Finance Officer Comment:**

This grant, in the amount of \$100,000, would require a match of \$50,000. The local funding is adopted in the FY 24/25 budget for design work, included as part of the CIP pedestrian projects.
