

MEMORANDUM

Town of Nags Head

Planning & Development Department

To: Board of Commissioners

From: Kelly Wyatt, Planning Director
Joseph Costello, Deputy Planning Director

Date: August 27, 2024

Subject: Consideration of a text amendment to the Unified Development Ordinance to modify the definition of "Religious Complex".

BACKGROUND

Joseph Anlauf, P.E., of Anlauf Engineering, PLLC has submitted the attached text amendment request on behalf of the Ark Church. If adopted, the text amendment would modify the definition of "Religious Complex" to allow for the construction of a single-family dwelling, in addition to the already permitted parsonage, as a residence for church staff.

The current definition of "Religious Complex" within the Unified Development Ordinance is below:

***"Religious complex** means a church (a building primarily used for public divine worship) or a church and any related structures including a parsonage, fellowship halls, educational buildings, youth centers, recreational facilities (which include playgrounds), day care centers, parochial schools or similar structures or areas located on a single site."*

The applicant has noted in the application that the amendment is designed to allow religious complexes the ability to include additional affordable housing options for church staff and their families. More affordable housing options will allow the church to attract and retain additional much needed church staff.

Staff believes that permitting religious complexes to build a single-family dwelling onsite for church staff can offer significant benefits to the church, its staff, and the community, provided all zoning and building regulations are met. Onsite residences could enhance community engagement, ensure staff availability for church-related events and activities, and provide a constant presence to quickly respond to any emergencies involving the church. As noted by the applicant, this capability could be particularly beneficial for attracting and retaining qualified and dedicated staff in an area with high living costs.

It is important to note that nothing in this proposal would eliminate the need for any single-family dwelling associated with a religious complex to comply with all relevant zoning and building standards, such as compliance with principal structure setbacks, building separation, access, parking, lot coverage, stormwater management, and architectural design, if applicable.

POLICY CONSIDERATIONS

LU-9, Encourage land uses that serve the needs of both year-round and seasonal residents in support of the town's overall vision for the community.

LU-27, Promote and expand the types of housing and accommodations for varying income levels, aging populations, and the seasonal workforce within the town.

STAFF ANALYSIS AND RECOMMENDATION

Planning staff finds the proposed text amendment to be consistent with the 2022 Comprehensive Land Use Plan and recommend adoption of the amendment as presented.

PLANNING BOARD RECOMMENDATION

At their July 16, 2024, meeting, the Planning Board voted unanimously to recommend adoption of the text amendment as presented.

If the Board of Commissioners is inclined to adopt this proposed text amendment, please reference Appendix A for the Statement of Consistency with the Town's adopted Comprehensive Land Use Plan requirements (attached).

Re: **Proposed Text Amendment**
Town of Nags Head Unified Development Ordinance

Dear Kelly;

On behalf of the Ark Church- Outer Banks, Anlauf Engineering, PLLC is presenting a request to modify the definition of a Religious Complex as it appears in the Appendix A – Definitions, to include an additional single family residence for church staff. Please see the following proposed amendment language.

The current definition as it appears in the ordinance is as follows:

Religious complex means a church (a building primarily used for public divine worship) or a church and any related structures including a parsonage, fellowship halls, educational buildings, youth centers, recreational facilities (which include playgrounds), day care centers, parochial schools or similar structures or areas located on a single site.

The proposed text amendment is as follows:

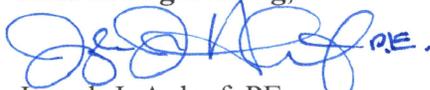

*Religious complex means a church (a building primarily used for public divine worship) or a church and any related structures including a parsonage, **one (1) additional single family housing facility for other church staff**, fellowship halls, educational buildings, youth centers, recreational facilities (which include playgrounds), day care centers, parochial schools or similar structures or areas located on a single site.*

No language has been redacted from the existing definition. The definition has been expanded to include the ability for a religious complex to include one (1) additional single family housing facility for other church staff in addition to the existing allowance for a parsonage. This text amendment is designed to allow religious complexes to have the ability to include additional affordable housing options for church staff and their families. More affordable housing options will allow the church to attract and retain additional much needed church staff.

Please call with any questions.

Sincerely,

Anlauf Engineering, PLLC

Joseph J. Anlauf, PE
