

**TOWN OF NAGS HEAD FY 18/19  
PROJECT CONSTRUCTION UPDATE  
April 12, 2019**

**PROJECT AREA #1  
(UPSTREAM END OF RED DRUM OCEAN OUTFALL)**

**WORK DESCRIPTION**

Replacement of (2) 30" dia. cross street drainage pipes with 32" x 54" reinforced concrete box culvert with 18" dia. cross pipe, drop inlet structures, appurtenances and incidental work.

**WORK PROGRESS**

The contractor has completed installation of the junction box vault and reinforced concrete box structure. An asphalt pavement patch was completed on Thursday April 11, 2019 with testing to be completed the morning of April 12, 2019. The full road closure and detour will be lifted April 12, 2019 and vehicular circulation restored in this area.

Shoulder grading, structure finishing work, pavement transitions, permanent stabilization and other incidental work remains to be completed.

We ask our residents and visitors to exercise caution around the construction work zone until all remaining construction work has been completed.

**PROJECT SCHEDULE--**

BEGIN: In Progress

COMPLETE: Mid- late April 2019

**EXPECTED WORK CONDITIONS\***

Single lane road closure, temporary pedestrian closure and detour, large equipment operation and truck traffic, testing, patching, ground restoration, permanent striping and other incidental work.
