

Administrative Services Department

Department Overview

The Administrative Services Department is responsible for all accounting and financial reporting requirements.

Accounting, Collections, and General Administration

The Accounting, Collections, and General Administration section is responsible for general ledger accounting, budgeting, financial reporting, tax and utility billing and collection, treasury management, financial administration, inventory and fixed assets administration, payroll processing, and purchasing. This section is also responsible for greeting and assisting the public, answering all incoming calls and forwarding them to the appropriate persons, accepting and processing customer payments, bank deposits, and processing all Town mail.

Goal

To promote quality customer service through the efficient and effective administration of cash management, collections, purchasing, personnel administration, and financial reporting.

Objectives

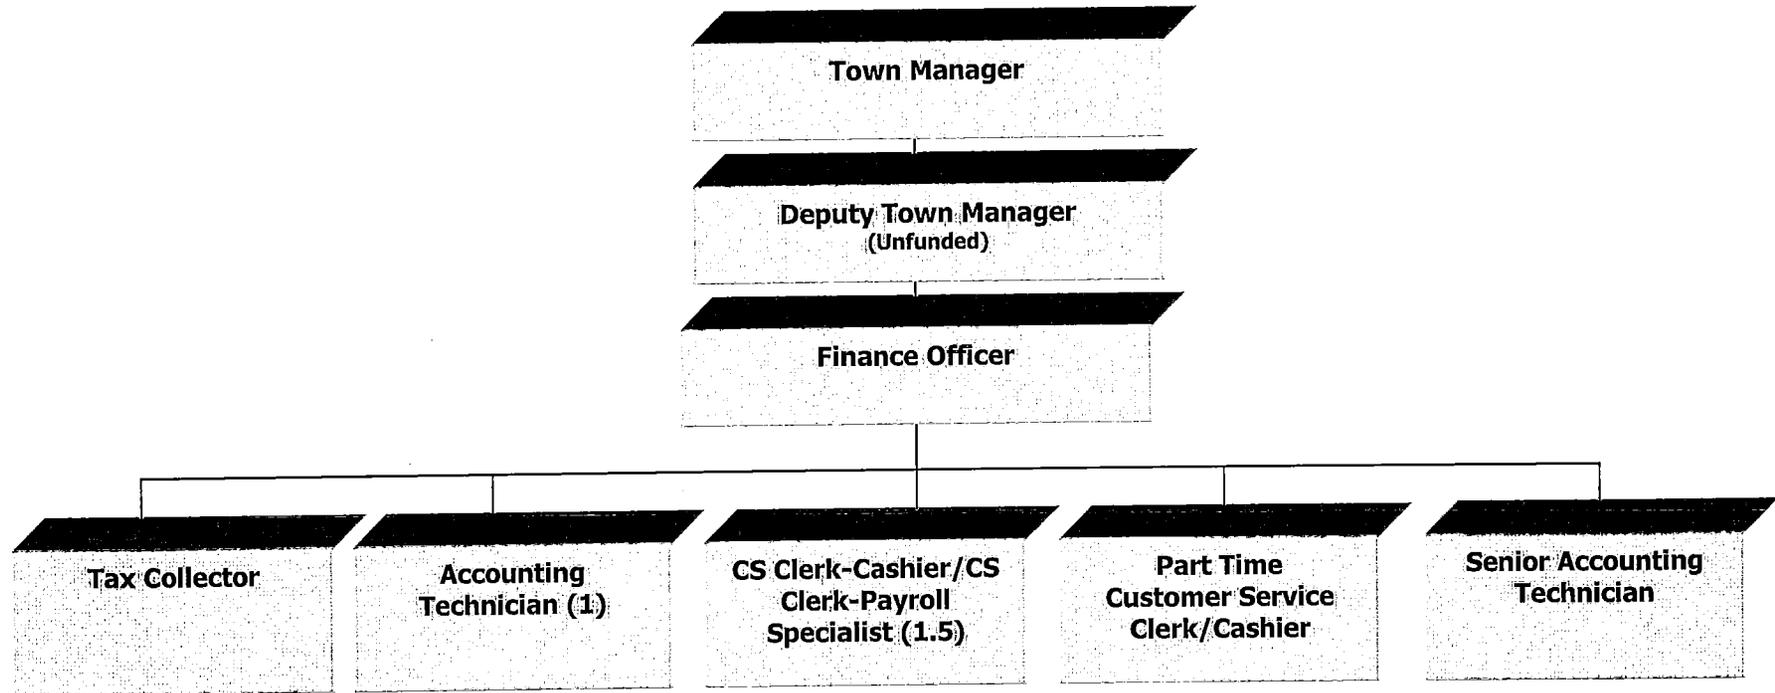

- Evaluate and update the Town's financial policies for conformance with generally accepted accounting principles and efficiency in use of financial resources
- Maximize cash flow while also increasing investment earnings through diversification, without sacrificing safety, in accordance with Town policies and general statutes
- Monitor expenditures in accordance with the budget and ensure cost effective purchasing
- Monitor revenues in accordance with the budget to ensure adequacy of funding.
- Administer a comprehensive risk management program
- Maintain professional presence at the Town Hall front desk to greet callers, citizens, and visitors
- Maintain the Town's high historic tax collection rate at greater than 99.5%, with the additional responsibility for collecting the taxes that are funding the beach nourishment debt over the next five years.
- Increase the number of vendor payments via Automated Clearing House by 10% each year as a more economical payment method over the use of paper checks.
- Increase the return on investments for Town funds through diversification without sacrificing safety.
- Implement technological opportunities as they become available for more efficient and cost effective provision of Town services through examples such as remote bank deposit, direct deposit of employee pay, online access for customers to their account history and bill payment.
