

FY 15/16 Town of Nags Head, NC CAPITAL PROJECT IMPROVEMENT UPDATE

The following is intended to provide Town of Nags Head residents with a description, schedule and location of proposed construction projects and the potential conditions that may accompany construction activities. For additional information please contact David Ryan, P.E., Town Engineer at (252) 441-6221 or david.ryan@nagsheadnc.gov

EIGHTH ST. ROADWAY RESURFACE & DRAINAGE IMPROVEMENTS

- PROJECT LIMITS:** Southern Half of East and West Eighth Street from Pond Ave. east to South Virginia Dare Trail.
- PROJECT DESCRIPTION:** Construction generally consists of pavement widening, drainage and intersection improvements and roadway resurfacing along the Eighth St. corridor. To date, the contractor has completed a significant portion of the project drainage and intersection infrastructure improvements with the concentration of work currently focused on pavement widening activities along the Nags Head section of W. Eighth St.. The remaining work consists of fine grading, pavement resurfacing, striping, stabilization and associated incidental work. It is anticipated that construction will continue through mid to late March with project completion occurring well in advance of the Mid-April contract completion date.

We request that vehicular and pedestrian traffic exercise caution when traveling through this corridor. Delays and single lane road closures are anticipated while these construction activities are being conducted. Please note that motorists can utilize Satterfield Landing Road to Lark Avenue as an alternate route to access businesses along West Eighth Street.
