A website was created to facilitate the filings of appointments of lien agents and filing of notices to lien agents by potential lien claimants at [www.liensnc.com](http://www.liensnc.com). When an owner or contractor acting on the owner's behalf appoints a lien agent through the LiensNC system, it will generate an Appointment of Lien Agent document or form for the property and project. The document will include:

- Designated lien agent and contact information
- Unique entry or identifying number for the project
- Owner and contact information
- Contractor
- Instructions for the owner and/or contractor to post at the property and provide to the permitting office
- QR Code for easy access to the property information in the LiensNC system

**NOTICE:** A copy of the Appointment of Lien Agent form or document printed from the LiensNC website can be included in the building permit application submittal in lieu of this form and must be posted at the job site.
