

Dowdy Park Ad Hoc Committee Meeting

Thursday, September 4, 2014

Nags Head Town Hall

MINUTES

Members Attending: Isabel Cooper, Kelly Wyatt, Teresa Kerber, Kerry Sanders, Ralph Barile and Andy Garman

The selection of Albemarle Engineering/VHB as our Dowdy Park consultants for the master plan was announced.

Committee members brainstormed regarding the Dowdy Park Community Day on October 4th which will be held in conjunction with the pumpkin fair.

It was decided that third through 5th grade students at NHES would participate in the Vision on cedar shakes. We will provide permanent markers purchased from the dollar store for the students to use. Lisa Strydom arranged for a painter to spray the shakes white. We will reimburse the painter for the paint. We will also purchase some masonry adhesive to attach the shakes to the Dowdy building exterior North wall. Shakes should be up by 9/27/14.

Susie, Andy and Kerry will meet with the principal and art teacher at NHES to determine how we can work together on this event.

A memory book and vision cards will be created to gather feedback from the public on the future Dowdy Park as well as favorite memories of Dowdy Amusement Park.

Cliff will be asked to contact Darnell Tillett regarding the removal of his personal items that are still in the Dowdy building.

Andy and Ralph will meet on site tomorrow to determine if and how the east fence can be rolled back for access.

Ideas for community day include:

Zoo-2-you

Outer Banks Hospital participation with the health coach

Fire truck and fire department participation – Andy will talk with Kevin Zorc

Some type of food or beverage for the participants. Must not compete with the NHES pumpkin fair sales.

The committee will meet again on Wednesday, September 10th at 4:30.
